### **REASONS FOR ALLOWANCE**

1. Claims 1-24 are allowed.
2. The following is an examiner's statement of reasons for allowance: The primary reason for the allowance of the claims is the ram packer having first pair of parallel sides having terminal ends, and second pair of parallel sides, in combination with non parallel sides extending from the second parallel sides and the non parallel sides having terminal ends distal to the second pair of parallel sides and the projection spacing the wear insert from the seating surface of the ram packer and the projection does not prevent rotation of the wear insert, and allow the elastomer to flow through the ram packer even when the shoulders are fully compressed against the back of the ram packer.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
